

## **New IntelliCorp Website Features Enhanced Content Optimized for Mobile Viewing**

BEACHWOOD, Ohio — ([BUSINESS WIRE](#)), February 12, 2018 — Intellicorp Records, Inc., a Verisk (Nasdaq:VRSK) business, has launched a new website featuring a simple, more modern design and enhanced content optimized for viewing on mobile devices.

The redesign makes it easy for visitors and clients to learn about the company's products and services, locate important resources, find documentation, and get industry news. It also provides a more comprehensive and clear understanding of IntelliCorp's dedication to the background screening industry and overall client benefits.

"The focus of the website redesign is to offer valuable screening information, optimize the user's overall experience, and provide enhanced technology that allows for mobile device viewing capabilities," said Todd Carpenter, IntelliCorp president. "We're excited to debut our new company website to our clients and visitors. Our goal is to offer a wealth of tools and resources to help businesses and organizations make well-informed decisions regarding their background screening programs."
