Motor Vehicle Records – Electronic vs. “Wet” Signatures

The following jurisdictions have not reached a formal position, so use of electronic signatures in these jurisdictions risk disapproval if a decision is made against electronic signatures on MVR releases:

- Colorado
- New York
- North Carolina
- Oklahoma
- Virginia

7 jurisdictions have told us the use of electronic signatures on MVR releases is prohibited. “Wet” Signatures [using paper Disclosure and Authorization Forms physically signed by consumer] are required. These jurisdictions are:

- Arkansas
- District of Columbia
- Georgia
- Massachusetts
- Nebraska*
- Nevada
- South Carolina

*Notarized document needed when requesting driving records for all non-CDL employment requests. Sample document provided on next page.

The remainder of the states allows electronic signatures on releases, provided that the signature can be authenticated and documented.

Please note: Sample document should NOT be construed as legal advice, guidance or counsel. Employers should consult their own attorney about their compliance responsibilities under the FCRA and applicable state law. Notary or Designated County Official

Redisclosure

A recipient of a motor vehicle record may only resell or redisclose the information obtained if for one of the uses permitted under the Uniform Motor Vehicle Records Disclosure Act. You shall make and keep for five years records identifying each person to whom you redisclosed the information and the permitted purpose for which it was redisclosed. These records shall be made available for inspection and copying by a representative of the Nebraska Department of Motor Vehicles upon request.
